

6 Day Khoisan Karoo Tour – Itinerary

Day 1: Karoo National Park

We'll begin our journey bright and early, picking you up from your accommodations or homes. Our first destination is Beaufort West, a scenic 5-hour drive away. After settling into our accommodation, we'll delve into the wonders of the Karoo National Park. Spanning approximately 890 square kilometers, this park is a sanctuary for over 200 bird species and more than 60 mammal species. Prepare to encounter diverse Karoo vegetation, including dwarf shrublands, grasslands, and succulent karoo.

Overnight: Wagon Wheel Country Lodge [self-catering]

Day 2, 3 & 4: Khoisan Karoo Conservancy

With an early start, we'll embark on a 3-hour journey to the Khoisan Karoo Conservancy, spanning thousands of hectares. Over the next three days, we'll immerse ourselves in the natural beauty of this vast area. Our activities include morning birding drives and nighttime expeditions to spot the elusive "Shy 5" mammals, including the Aardvark, Aardwolf, Bat-eared Fox, Porcupine, and African Wildcat.

Overnight: New Holme Lodge [breakfast and dinners included]

Day 5 – Karoo National Park

Before the sun rises, we'll depart for another captivating day at Karoo National Park. This time, we'll explore different routes for afternoon birding, promising new encounters and discoveries.

Overnight: Wagon Wheel Country Lodge [Self-catering]

Day 6 - Heading back to Cape Town

On our final day, we'll bid farewell to the Karoo region and commence our journey back to Cape Town, a scenic 5-hour drive away. Along the way, we'll indulge in roadside birding and delve into the rich history of the charming small towns we pass through.

For the complete bird species list: I will forward the list to you.

Cape Town, South Africa
